Abat

The control panel features several buttons and dials for operation. From top to bottom, it includes a power button, a digital display, a temperature control dial, a pressure control dial, and a mode selection dial. The brand name 'Abat' is printed at the bottom of the panel.

A safety warning label with four colored icons: a red one with a flame, a yellow one with a lightning bolt, a blue one with a water drop, and a green one with a person. Below the icons is some small, illegible text.

**Режимы**

<input type="radio"/>	Разогрев	до 270°C
<input type="radio"/>	Конвекция	до 270°C
<input type="radio"/>	Конвекция + пар	1 сек
<input type="radio"/>	Конвекция + пар	3 сек
<input type="radio"/>	Конвекция + пар	5 сек
